PROGRAMS

Learn Compete Grow

ANDDA is a place for Youth to meet, learn, compete and grow! The ANDDA Youth Program ensures that the future of the Nigerian Dwarf Dairy Goat industry remains strong. There is no better way than to involve our youth participants from a very young age. Activities are designed to be fun and create excitement year round for members 18 and under. ANDDA Youth is where lifelong memories are made and friendships that last a lifetime are formed.

SPECIALTY SHOWS

Our specialty show program spotlights the Nigerian Dwarf Breed at show events sanctioned by AGS and ADGA. The Nigerian Dwarf Specialty designation will be awarded to one sponsor and event in any AGS/ADGA District in any calendar year plus one for an AGS/ADGA National Show. Winners are also showcased on our website.

ANDDA PRODUCTION AWARDS

Total Performer Awards

The ANDDA Total Performer Program is intended to be for those animals that have excelled in the show ring, are on DHIA and milking above average, and have been Appraised and/or Classified at the Excellent level. It is an ANDDA Program that is designed to be won by the elite animals that participate in these show and performance programs offered through AGS and ADGA.

JuJu Awards
